

# **Pre-K I Graduation**

Thursday, June 19, 2014

2:30pm

Teen Center (Bldg. 3228)

We know that graduation is a big deal for your children, and many of you have various family members anxious to attend our ceremony. Each child will have two seats in the front rows reserved for his/her family. These seats will be saved based on where your child is standing on stage and chosen randomly for row choice. The remaining seats will be first come, first serve for extra people. Please try to limit yourselves to five people per family, if possible.

We will open the Teen Center doors a half hour before the ceremony and light refreshments will be served after. We can't wait to see you there!

Thanks,

Pre-K I
